DEMONSTRATION "SECURITY" ASSAULT TRANSWOMAN AND LEFTIST ACTIVIST

Posted by magix | Sep 15, 2021 | Coos County | 0  | ★★★★★

During the September 11, 2021 anti-mask and anti-vaccine demonstration held at the Coos Bay Boardwalk a young local activist and transwoman by the name of Kamryn Stringfield wandered through a parking lot on the corner of Hwy 101 and Anderson St to livestream some of the proceedings and signs to her Facebook page. She'd only been filming a couple

of minutes when she observed Rob Taylor standing across the highway point to her and then speak to some men standing with him. Four men immediately started crossing the street in Stringfield's direction. On the video, you can hear her say that she is leaving for her own safety and the livestream abruptly ends.

Within minutes she begins another livestream showing the four individuals following her through the pedestrian way off Hwy 101 South. She is a block away from the protest at this point and heading toward her car parked near the 7 Devils Brewery and begins walking backwards to film the men one of whom is filming her as well. The video below speaks for itself but in an early video where Taylor is at a meeting discussing security for an event the week prior, boasted that the "patriots" will be there and they are "big guys".

Brothers Matt and Tony Holman and two others pursue Stringfield all the way to her car and Tony Holman, a local logger slams her car door hitting her in the arm. Stringfield reported the incident to Coos Bay Police and provided the video as evidence. Later that night, Stringfield's home security camera caught a silver pickup drive by her home and spray paint her car.

On Taylor's Monday radio program he alluded to the incident saying he didn't know why a leftist activist filming the demonstration would take off so suddenly.

According to Taylor, the Coos Bay Chief of Police is "one of us", so can we trust the police department to follow up on this assault? If Stringfield is correct and the four chased her on Taylor's orders why the hell would Taylor send his goons after a twenty year old activist anyway?

After watching the video and listening to the hate speech slurs hurled at Stringfield it is not a stretch to think she was targeted because of her sexual orientation.

ROB TAYLOR WHINES I THREW HIM UNDER A BUS

Rob Taylor took issue with me posting about a disturbing video I found online and thereby somehow throwing him under a bus. Really? What bus would that be?

Personally, the only person I may have thrown under a bus was Bob Main for his reckless and completely inappropriate behavior regarding a county employee. Surely they all knew they were being videoed given the Citizens Restoring Liberty banner is on the chiron.

Below is a brief direct message exchange Taylor initiated earlier today. Notice how he falls back on the if you don't agree with me you must be a communist bleeding heart liberal theme.

Do you really think I was inciting violence.? Are you just trying to score points with your base or are that confused? <https://geddry.com/2021/09/14/bob-main-attends-meeting-threatening-violence-against-county-health-director/>

You sent

I'm not confused at all and neither is anyone else who has watched that video.

ROB

Not the people I know.

ROB

Wow, thanks for showing your true colors.

YOU SENT

And thank you for alerting us to the ideological status of the CB and Bandon police chiefs

ROB

Yes, they still believe in truth, justice and the American Way and not the communist ideology you have fallen for.

ROB

The sad part is I have defended you against people who complained about your bleeding heart BS and you throw me under the bus for engaging in lively political talk.
